

M. Tanzeeb Rubaiat Haque

BSc. in Computer Science and Engineering (CSE)

Looking for an entry position as a Software Quality Assurance (SQA) engineer at an ever growing and challenging corporate environment to excel through work, dedication and quick learning. A Computer Science and Engineering student willing to learn new technologies and skills in a short period of time. I want to demonstrate and build my expertise as QA tester by seeking the knowledge and skill sets in the areas of new testing methodologies, effective and efficient communication and best practice processes.
