Career Objective

To work in a firm with a professional work driven environment where I can utilize and apply my knowledge, skills which would enable me as a fresh graduate to grow while fulfilling organizational goals.

IT Proficiency

- **Programming:** C,C++, C#, JAVA
- **Web:** HTML,CSS,JAVASCRIPT, PHP,ASP.NET MVC
- **DBMS:** Oracle(SQL,PL/SQL), MySQL, Microsoft SQL Server
- **Framework:** Laravel (PHP), Entity(ASP.NET), ASP.net MVC, Node.js(Express), Bootstrap (CSS)
- **Operating System:** Windows, Linux (Ubuntu)
- **Others:** WordPress(Basic), UML Diagrams (Use Case ,Activity, Class Sequence)

Projects

- **Php – Project Management Tool:** Project management tools are aids to assist an individual or team to effectively organize work and manage projects and tasks. In this project, a simple project management tool for managing software projects is being developed. There is different kinds of users of this software. Any user with IT Admin Role can Add, Edit and View User information. Any user with Project Manager Role will create project and update project information. Duration field will be a calculated figure. Any user with project manager role can assign someone (except IT Admin) to any project. Even a project manager will assign himself/herself to a project. Any logged in user (except IT Admin) can access project information. And logged in user will see only the projects information in which (s) he has been assigned to i.e. team member will see only their project information. By clicking on any project, user will view project details as follows. Any logged in user can create task and assign it to someone (someone who has been assigned in this project before). For creating Task of a project, Logged in user must be an assigned resource person of that project. This application is being developed using PHP, HTML, CSS, Java Script, Ajax.

- **Laravel Project Management Tool:** A simple project management tool using PHP framework (Laravel), Html, Css, Bootstrap, JavaScript, Jquary. Here Admin can create, update, delete and search users. Here another user project manager, developer work their field.

- **C# Jail Management System:** Simple Jail management system using C# GUI application. Here admin can create, update, delete and search users. Here another user jailer, doctor, police. Jailer can handled crime sectors, doctor for postmortem ETC.

- **ASP.NET Project Management Tool:** Simple Project Management Tool using ASP.NET MVC framework, HTML, CSS,JAVASCRIPT, Ajax. Here Admin can create, update, delete and search users. Here another user Project Manager can create, update, delete and search Project also assign user in projects, after assign add task for another users. Also this task user can comment. Here another user Developers, QA Engineer can view project details and Assign, Comments.

- **NodeJs Project Management Tool:** A project management tool using NodeJs framework (Express), HTML, CSS. Here Admin can create, update, delete and search users. Here another user project manager, Developer work their own field.

  Laravel Simple Office Management System: Simple Office management system using php framework(Laravel), html, css, Bootstrap, JavaScript. Here department section can create, update and delete. Here another section Employee can create, update and delete. After employee create shows employee with department.

  *All projects are uploaded in Github.

Academic Credentials

Degree	Institution	Location	Passing Year	CGPA	Major
BSC	American International University Bangladesh (AIUB)	Dhaka	2018	3.18/4.00	Software Engineering
HSC	Dhaka Imperial College	Dhaka	2011	4.80/5.00	Science
SSC	Shaheen Academy School And College, Feni	Feni	2009	4.56/5.00	Science

Leadership Skills And Working Capability

- Fast learner, self-motivated and punctual
- Ability to work under pressure and any kind of situation
- Ability to work with the group
- Goad orientated, hardworking ability, friendly, like to take and meet challenge
- .

Personal Information

- Father's Name   : Abu Ahmed
- Mother's Name   :Rokeya Begum
- Date of Birth   :28 September 1993
- Blood Group   :AB +ve
- Nationality :   :Bangladeshi
- Religion   :Islam
- Permanent Address :Village – Palgiri, P.O- Palgiri (Darogarhat), Upzilla – Sonagazi, Feni
- Interest and Hobbies : Travelling, Playing Cricket, Reading Novel.
